

THE ARTS SOCIETY LIMPSFIELD
THE CINEMA MUSEUM, LAMBETH
TUESDAY 20 JUNE 2023

COST PER PERSON £8.00

London's Cinema Museum is based at the old Lambeth Workhouse, where Charlie Chaplin lived for a while. It has a unique collection of artefacts, memorabilia and equipment that preserves the history and grandeur of cinema from the 1890s to the present day.

According to Time Out "The Cinema Museum in Lambeth boasts an idiosyncratic collection of film memorabilia, including posters, art deco cinema chairs, ushers' uniforms from the 1940s and '50s, tickets, ashtrays and popcorn cartons, as well as an archive boasting hundreds of books, an estimated one million plus photos and 17 million feet of film." At its events volunteers regularly dress in original cinema attendants' costumes.

The museum seeks to celebrate all aspects of cinema and the moving image from silent films, shown in exactly the correct gauge and at the right speed using specially adapted projectors, to screenings of modern television culture. It is developing a growing reputation for its eclectic range of events.
